About Us

Message from the Proprietor

With a profound sense of gratitude, we welcome you to A H S Enterprise. Our journey began with a vision — “We Build Tomorrow” — to establish a benchmark of unyielding reliability, top-tier quality, and strategic innovation in Bangladesh's most vital sectors.

We have had the distinct honour of serving as a trusted partner to both the military and civil sectors of our nation — from executing high-stakes strategic projects for the Bangladesh Armed Forces through the DGDP, to delivering submarine machinery spares of BNS Joyjatra for the Bangladesh Navy. Our deep-rooted enlistments with premier national authorities reflect a legacy built entirely on trust and flawless execution.

Mission

Building with quality that endures. Operating with transparency that builds trust. Developing with a sensitivity to the community we serve.

Vision

By establishing a benchmark of unyielding reliability, top-tier quality & strategic innovation in Bangladesh's most vital sectors of businesses, our aim is “We Build Tomorrow.”

Our Services

A comprehensive range of services in construction, power, engineering support and industrial supply — from government tenders and civil works to marine machinery spares and licensed electrical contracting.

Code	Service	Description
S1	Civil Works	Construction, repair & maintenance of roads and buildings, executed to government-tender standards.
S2	Marine & Submarine Supply	Submarine spares, naval ship spares and industrial equipment supply, including for BNS Joyjatra.
S3	Riverbank Protection	Geo-bag dumping and hard-rock sedimentation — sustainable riverbank protection nationwide.
S4	River Channel Maintenance	Annual dredging support keeping Bangladesh's river channels navigable for the Ministry of Shipping.
S5	Ferry Ghat & Pontoon Repair	Repair and maintenance of ferry ghats and pontoons for multiple government bodies.
S6	Power & Renewables	Renewable solar energy projects delivered under our sister concern, Sun Solaris Limited.
S7	Indenting, Export & Import	End-to-end indenting, export and import services connecting international suppliers to Bangladesh.
S8	Electrical Installation Works	Class A, B & C electrical contracting — extra-high, medium and low pressure installation works.
